

Northern Athletics Young Athlete Road Relays

We return to Liverpool this Sunday for the Northern Athletics Young Athletes Road Relays. This year's event has attracted an entry of 242 teams and is once again sponsored by our hosts at Croxteth Park, [Myerscough College](#).

The first of the six relays will start at 12:30 when the under 13 boys commence proceedings. The course for the both under 13 and 15s will be the same as last year, however the under 17s have a slight change in so far as they will not be taking the area around the swing park but will do an out and back section just before they turn back

into the finish area.

We have also moved the start/finish area back 200m from last year allowing the athletes to set up camp on the lawn in front of the Hall.

Course maps/travel details and other information is available on the downloads at the foot of this page.
