

Mike Bundy

We are deeply saddened to report the death of Lincolnshire AA Chairman Mike Bundy. Mike had been in hospital for the past fortnight but died peacefully on Wednesday evening.

Mike was also President and Chairman of Grantham AC and the club recently recognised his dedication (and 80th birthday) with a surprise presentation of a specially made silver lapel badge and a framed photograph of club members.

Mike's passion for, and dedication to athletics was of the highest level and he will be greatly missed in Lincolnshire and throughout the North. Our deepest sympathies and thoughts are with Joyce and their family.
