You can if you wish, enter the whole series in each trial. This has the added effect of checking the officials have done their job correctly, although this can be time consuming. You will see on the Triple and Long Jump cards fields for the wind speeds. These are purely for clubs own interest if you were to print these off. It's best to ignore the wind speeds on the cards. When you enter TJ or LJ cards you will then need to go to results tab for the LJ/TJ and manually enter in the wind speeds. If the LJ was entered as such,
