

Dear Competitor

Northern Athletics/Start Fitness U13 & U15 Indoor Track & Field Championships 2023
English Institute of Sport - Sheffield

Please accept this letter as acknowledgement of your entry into the Northern Athletics Indoor Championships being held at the above venue on Sunday February 5th 2023.

A timetable will follow early next week and will also be available on the Northern Athletics website.

Please ensure that you arrive early enough to register at least 60 mins prior to your event, and declare **every** event in which you intend to compete. If you have equipment which needs to be weighed, please arrive at least one hour before your event to ensure enough time for this procedure. Registration will be situated along the bottom corridor; access is via the door on the left of the staircase in the EIS foyer.

Please also be aware that a callroom system is in place. Callroom can be found on the attached map, and times for reporting to callroom will be published before the event too.

Club, county, area or national vests must be worn.

Stadium blocks only are to be used. Electronic Distance Measuring systems will be used. Spikes must be limited to a length of 6mm with no needle spikes allowed.

We look forward to a successful and enjoyable competition and would like to take this opportunity to thank you for your entry and wish you good luck in your event.

If you are likely to be late registering for your event but still intend to compete please call Malcolm Fletcher on 07787522109.

Yours sincerely

Judith Temperton & Mark Tallon
