

Dear Competitor

Northern Athletics/Start Fitness U13 & U15 Indoor Track & Field Championships 2024
English Institute of Sport - Sheffield

Please accept this letter as acknowledgement of your entry into the Northern Athletics Indoor Championships being held at the above venue on Sunday February 4th 2024.

A timetable will follow via e-mail early next week and will also be published on the Northern Athletics website.

Please ensure that you arrive early enough to register at least 60 mins prior to your event, and declare **every** event in which you intend to compete. If you have equipment which needs to be weighed, please arrive in enough time for this procedure to take place. Registration will be situated along the ground floor corridor, to the left past the staircase in the EIS foyer.

Please also be aware that a callroom system is in place. Callroom can be found behind the netting at the 60m start end of the track. Times for reporting to callroom will be published before the event too.

Club, county, area or national vests must be worn.

Stadium blocks only are to be used. Spikes must be limited to a length of 6mm with no needle spikes allowed. All bib numbers are to be worn as issued and not cut or folded in any way.

We look forward to a successful and enjoyable competition and would like to take this opportunity to thank you for your entry and wish you good luck in your event.

If you are likely to be late registering for your event but still intend to compete please call Malcolm Fletcher on 07787522109.

Information will be updated during the coming weeks on the following website:
